

Executive Meeting July 18/60

Seven members of the Roland Ladies Auxiliary Executive met at the home of President Mrs. Margaret George, on July 18th.

The members discussed the order of procedure, and the flag. Mr. Francis Phillips said that a flag had been offered to the ladies by Comrade Baum Patterson if it could be found.

It was suggested that the Executive attend a Lassans meeting to observe the procedure and business of their auxiliary. The Secretary was instructed to write to Ms. Grundy to see if this could be arranged.

The Secretary read the correspondence.

The executive discussed different projects and ways of making money. A dance was suggested, also a Hoppy Tea prior to Remembrance Day. They thought a Bingo could be held early in the fall.

It was recommended that a 10¢ fine be levied on all members for not wearing their pins to the meetings. The suggestion of charging only the ladies for lunch was discussed.

McGlosha Parker moved the adjournment of the meeting.

Respectfully submitted,
Phyllis L. Allison,
Secretary
